Dear Encore Families,

Thank you for being a part of the EDA dance family and for joining us in celebrating our 11th annual Recital Showcase! The Recital Showcase is the culmination of 10 months of hard work from all of our students. The entire EDA faculty is looking forward to sharing these accomplishments with family and friends. Whether a student is taking part in one class a week or many hours of classes - the Recital provides them with an opportunity to showcase their talents and individual achievements.

This Recital Handbook serves as your comprehensive guide to everything RECITAL. Should you have any other questions or concerns, please do not hesitate to ask. We take great pride in our organizations ability to produce a professional and well run show that will surely impress your family and friends. We thank you in advance for your cooperation and support.

Their success is our joy - looking forward to many more years of memories!

Sincerely,
Erica Vining and Staff

What is Dress Rehearsal?
Dress Rehearsal provides students the chance to familiarize themselves with the stage. At the same time our staff will be working through staging, lighting and music. For this reason the Rehearsal is MANDATORY. In general, dancers will walk through their routine without music first and then they will perform their routine with music/lighting. Dress Rehearsal is in full costume, makeup and hair!

Day of Things to Remember:
- We ask that you come to the rehearsal fully dressed with hair and makeup completed; our backstage team can help you with last minute touches.

- Upon arrival, follow the signs to the backstage area. There will be designated dressing rooms and tables for each class. Please drop your child off at their dressing table and please exit the dressing area and return back to the main auditorium. Because children are changing backstage- Dad's will not be allowed in the changing areas.

* A Note to first time Recital Parents: please TRUST the backstage crew to take care of your child if your child becomes upset or cries. We have been doing this for YEARS and know that sometimes your presence can exasperate the situation. Once they are dropped off you will need to leave and go to the audience. Leave it to us, we have this covered!

- We ask that you do not approach the stage during a routine or after in regards to any questions you may have. There will be people designated to answer all of your questions. And please keep all siblings quiet and in their seats.

- At Rehearsal you can take pictures and videos; flash photography/video are prohibited at Recital. DVD order forms will be available at the studio if you would like to purchase a Recital DVD. They are a HUGE hit and included BOTH shows.

- Once your child is done with their run through and you are cleared by a teacher you may leave.

***IMPORTANT***
Please make sure to try on your child's costume before the Rehearsal. Tighten any loose straps; all costumes should fit snug like a leotard. Please steam any wrinkles and make sure to hang your costume up! Take note of tights, shoes and hairstyles for your child's routine.
Recital Details

Please come to the Recital **fully dressed with hair and makeup completed and costume on.**
Upon arrival, follow the signs to the backstage entrance area.
If your class is listed for “entire show”, drop your child off with our backstage crew at the sign in table.

- Provide child and parent last name
- Provide contact number and any allergy or special assistance your child may require
- After your child has been dropped off please return to your seats.
- If you have multiple children or if your child requires assistance with a costume change you will be allowed in the backstage area. If you do not meet these requirements you will not be allowed backstage. Our staff is under strict instructions to adhere to this rule.
- For allergy reasons we cannot have food backstage, please do not pack or bring a snack. Should your child require water or a snack we will have allergen free options for them.
- Once Act 2 begins, ALL students will remain in the backstage area until the end of the Recital. When the show is over please use the upper hallway area to access the open lobby on the other side of the backstage drop off area. Your child can be picked up there.

Getting Ready for the Recital

MAKE-UP

Makeup for the recital (ages 5+):

1. EYESHADOW: Apply brown eye shadow across the lid and white eye shadow in the crease and under the brow-line.
2. MASCARA: Apply a generous amount of mascara to both the upper and lower lashes.
3. BLUSH: Apply a natural pink to the apples of the cheek only (please no bronzer, fuchsia, or red blushes)
4. LIPSTICK: Apply lipstick to the upper and lower lips (if the lipstick bleeds; try using a lip-liner first) the color we are suggest using for picture day and recital is a wine or blush tone.
   ---Older students may need to use concealer if needed, to even out the skin
   ---Touch-ups will be made by the backstage help where needed

Makeup for recital (ages 2-4):

1. Because the lighting on the stage can wash their faces out, we recommend a light application of blush, light colored lipstick / lip gloss and a little mascara.

HAIRSTYLES

Class hairstyles are listed in your costume instructions, which will be emailed to you. We ask that when hair is pulled back; whether in a half-ponytail, full ponytail or bun, that it be hair sprayed back with no loose pieces. Also if your hair is in a ponytail please make sure that you flat-iron or blow dry your hair completely straight.

OTHER ITEMS TO BRING WITH YOU

- Safety pins
- Hair elastics
- Hair nets
- Band Aids
- Hairspray
- Brush/Comb
